Exposure rate

14 August 2023

Dear Clients and Partners,

Our weekly newsletter is taking a summer break until August 21. We will continue to send you our weekly fund exposure rates.

All our teams are at your disposal to answer any questions you may have.

Our exposure rates are as follows:

- Dorval Convictions: The equity exposure rate is 100%.

Legal notices

This promotional document is intended for business clients within the meaning of the MiFID. It cannot be used for a purpose other than that for which it has been designed and cannot be reproduced, circulated or communicated to third parties in whole or in part without the prior and written authorisation of Dorval Asset Management. No information contained in this document can be interpreted as having any contractual value whatsoever. This document is produced purely for information purposes. It constitutes a presentation designed and produced by Dorval Asset Management from sources that it deems reliable. Dorval Asset Management reserves the right to amend the information presented in this document at any time and without notice and particularly regarding the description of the management processes that in any case do not form a commitment on the part of Dorval Asset Management. Dorval Asset Management cannot be held responsible for any decision made or not made based on information contained in this document or use that could be made of it by a third party. The mutual fund is authorised to be marketed in France and possibly in other countries where the law authorises it. Prior to any investment, it should be verified whether the investor is legally authorised to subscribe to units in a mutual fund. The characteristics, fees, risk and yield profile relating to investment in a mutual fund are set out in the Key Information Document (KID) of the latter. The KID and the periodic documents are available free of charge on request, from Dorval Asset Management. You must read the KID, which must be sent to you prior to subscription. The definition of the risk indicators stated in this document feature on the website: www.dorval-am.com
